To Whom It May Concern

We are writing to recommend **Gorobeyko Borys** for a position within your IT department. We had the pleasure of supervising him during his internship at our company, and we can attest to his outstanding skills, work ethic, and dedication to the field of IT.

During his time at our company, **Gorobeyko Borys** worked on a software development project. He quickly adapted to our team's workflows and processes and was able to contribute effectively to his assigned tasks. He demonstrated a deep understanding of Internet Protocols, C# programming, PHP programming, LDAP, client/server architecture, application security, penetration testing, and he was able to apply this knowledge to solve complex problems.

In addition to his technical skills, **Gorobeyko Borys** was an excellent communicator and team player. He was always willing to help others when needed, and he worked collaboratively with his colleagues to ensure that projects were completed on time and to a high standard.

Overall, we highly recommend **Gorobeyko Borys** for any IT position that he may be interested in pursuing. He has demonstrated exceptional technical ability, strong teamwork skills, and a commitment to excellence that will make him a valuable asset to any organization.

Please do not hesitate to contact us if you require any further information.
